State of South Dakota

Office of the Governor

Whereas, It is essential to our health, safety, and welfare that the buildings we occupy daily are safe; and,

Whereas, The general public is reminded of the importance of building safety codes and compliance with these codes where we live, work, and play; and,

Whereas, We need to recognize the importance of the vital contributions rendered by the building safety and fire prevention officials, architects, engineers, builders, and others in the construction industry; and,

Whereas, Countless lives have been saved because building safety codes have been adopted and administered by building safety and fire prevention officials in government agencies; and,

Whereas, State and local governments throughout the United States are joining with builders' and designers' organizations to promote safe buildings through the observation of Building Safety Month:

Now, Therefore, I, Dennis Daugaard, Governor of the state of South Dakota, do hereby proclaim May 2011, as
